### Further information

All eligible students will receive their official invitation via email over the summer. The date you receive your invitation will depend on which programme you are studying and the date of the Progression & Awards Board.

There will be further instructions on how to register your attendance, hire your gown and purchase guest tickets in this invitation.

It is unfortunately not possible to change to a different ceremony. If the date or time is not convenient, you will have to graduate in absentia (not attend).

In some exceptional circumstances, you may be able to defer attending your graduation for one year, although this is not guaranteed. If you would like to discuss deferring further, please email [graduation@winchester.ac.uk](mailto:graduation@winchester.ac.uk).

The start time of each ceremony has been included in this document. We anticipate all ceremonies will last between 60 and 75 minutes.

We can't wait to celebrate all your achievements and hope to see you at a graduation ceremony in October!
