Winchester Park & Ride

Winchester has four Park and Ride car parks and the University is well-served by the service. The nearest bus stop is outside the Royal Hampshire County hospital on Romsey Road, less than a five minute walk from both King Alfred and West Downs Campuses. All buses on the service stop here. Park and Ride bus stops are easily recognisable - just look out for the green bus stops with the P&R logo.

The ticket machines in the car parks are pay and display. On paying with cash or a University-discounted Smart Card, the machines produce two tickets - one to display in your vehicle and the other to show to the driver of the P&R bus. Up to six passengers in a single vehicle can travel on each P&R ticket and you can use your ticket on the P&R bus around town during the day without paying additional charges.

The Park and Ride car parks are available for use 7 days a week, but the bus service currently operates Monday to Saturday only.
